General John A. Wickham
Chief of Staff
United States Army
Washington, D.C. 20310

John:

    During our November breakfast session, you noted the need to help the
military in Latin American countries to counter terrorism and subversion
and asked if there was anything we could do. I'd like to let you know
where our efforts stand.

Our next step will be to meet in Washington with representatives of concerned US military elements -- I understand you have agreed to name one -- to design a specific pilot program and determine how best to convey this concept to the   25X1

Upcoming government transitions and elections   25X1
                  may slow implementation a bit, but I trust that our people will   25X1
work closely together on this.

Sincerely,

John N. McMahon
